

# Mobile Storage

## Acer USB 2.0 Pocket HDD: Ultra portable Back up drive

This simple plug and play device meets all your portable data storage requirements. With the external Acer USB 2.0 Pocket HDD, you can back up your data and store files, such as MP3's, movie files and digital images plus many more.

## Acer USB 2.0 Mobile HDD:

This simple plug and play device meets all your portable data storage requirements. With the external Acer Mobile HDD, you can back up your data and store files, such as MP3's, movie files and digital images plus many more.

## Acer USB 2.0 Flash Stick : USB 2.0 Flash Stick

Acer USB 2.0 Flash Stick works as a friendly and lightweight removable mass storage device. It plugs through the USB port so your computer will immediately detect and configure the disk without needing to restart the computer. You read, write, copy and delete files just the same way as you use a disk drive. You can even play MP3 files, run applications or play videos directly from it. This Acer USB 2.0 Flash Stick is so light and compact that you can carry it with you anywhere. It comes in various storage capacities starting at 128MB up to 1GB. It is easy to install that you can actually use the Acer USB 2.0 Flash Stick to replace your floppy disks, ZIP drives, and even CD-RW disks. Because it uses durable solid-state storage flash memory, there are no moving parts inside making it shock resistant with longer data retention.

**Acer USB 2.0 Pocket HDD**

Ultra portable Back up drive

Standard Configuration

Model name	Acer USB 2.0 pocket HDD
Bus interface	USB 2.0
Transfer rate	480 Mbps
Connectors	1 mini USB connector
Spin	4200 rpm
HDD	5 mm, 1.8 inch
Buffer	512 Kbytes
Search Ave.	15 ms
LED	green for power, orange for data transfer
Power	USB Power
Housing	Aluminium 8,7x60x100
Electrical	+5 V, 500 mA Max
Operating requirements	Temperature from 0°C to 50°C Relative humidity 5 - 90% (non-condensing)
